Mr. Leslie Bai
SIEMIC, Inc.
2206 Ringwood Avenue
San Jose, CA

Dear Mr. Bai:

NIST is pleased to inform you that your organization has been recognized by Industry Canada (IC), under the Asia Pacific Economic Cooperation for Telecommunications Equipment Mutual Recognition Arrangement (APEC Tel MRA) Phase II Procedures. Your organization is now recognized to act as a Certification Body (CB) to certify equipment to the latest versions of the IC Category I Equipment Standards.

The pertinent information about this certification body recognition is as follows:

CAB Name: SIEMIC, Inc.
Physical Location: 2206 Ringwood Avenue, San Jose, CA 95131
Identification No.: US0160
Recognized Scope: a) Radio

This designation will remain in force as long as (1) your organization's ISO/IEC Guide 65 and ISO/IEC 17025 accreditations for the designated scope remain valid and (2) your organization complies with the NIST designation requirements and IC requirements.

Recognized CABs are listed on the NIST website at <http://ts.nist.gov/mra>. Please contact Ms. Ramona Saar at (301) 975-5521 or ramona.saar@nist.gov if you have any questions.

Sincerely,

David F. Alderman

UNITED STATES

Dear Mr. Alderman:

This is to inform you that Industry Canada has recognized

Siemic Inc
CAB Identifier: US0160

as a Certification Body (CB) in accordance with the Phase II Procedures of the Asia Pacific Economic Cooperation (APEC) Mutual Recognition Arrangement (MRA), and REC-CB "Procedure for the Recognition of Foreign Certification Bodies by Industry Canada".

The scope for which **Siemic Inc.** has been recognized is:

Scope A - All Radio Standards Specifications (RSS) in the Category I Equipment Standards List.

As of the date of this letter, **Siemic Inc.** can certify equipment to the latest versions of Industry Canada Category I Equipment Standards. This recognition is contingent on **Siemic Inc.**'s continued compliance with the recognition criteria, and administrative and operational requirements prescribed in Industry Canada document CB-02.

Certification Bodies can notify Industry Canada of products they certify by using the electronic filing system at: http://www.ic.gc.ca/eic/site/ceb-bhst.nsf/eng/h_tt00052.html.

Industry Canada posts notifications relevant to CBs on the MRA Workspace available at: <http://ic.gc.ca/MRA>. CBs are asked to maintain their registration in this workspace.

If you require additional information or clarification, please correspond with Industry Canada's Telecommunications Engineering and Certification Division, 300 Slater St. Ottawa, ON, K1A 0C8, phone (613) 990-4526 fax (613) 957-8845.

Sincerely,

A handwritten signature in black ink, appearing to read 'Peter Chau', with a long horizontal line extending to the right.
