

SMART SAFETY SOLUTIONS NRTL / SCC / CBTL

We assist you with confidence

WHAT IS NRTL/SCC MARK?

A Nationally Recognized Testing Laboratory (NRTL) is a private-sector organization that OSHA has recognized to perform applicable product safety standards and certification in United States. The Standards Council of Canada (SCC) is a federal Crown corporation. Its mandate is to promote efficient and effective standardization in Canada.

WHAT IS CBTL?

A Certification Body Testing Laboratory (CBTL) is a private-sector organization that accredited by IECEE to perform applicable product safety standards and certification all around the world.

WHY Bureau Veritas?

Bureau Veritas has NRTL approved laboratories in six countries and in key global sourcing regions. Not only that, Bureau Veritas also has CBTL approved laboratories to help your products into global market. Bureau Veritas offers competitively services, with best in class turn-around times.
